The Wednesday Club of Saint Louis

September 30, 1975

Dear Mr. Thuermer,

The Wednesday Club of St. Louis would like to confirm arrangements made by your letter, dated March 20, 1975, for a speaker from the Central Intelligence Agency.

Our meeting will be January 28, 1976 at 11:00 AM at our Club, 12589 Ladue Road, St. Louis County. The program lasts about an hour with the final ten to fifteen minutes reserved for questions from the members. As previously stated, the topic is "Operations: More Overt and Less Covert?", and would hopefully cover in general what the agency is, how it operates, and should operations be more overt and less covert? I would appreciate a resume' as I will be introducing the speaker.

We would like to invite our guest for luncheon served at the Club at 12:15 PM immediately following the morning session and my husband and I would be delighted to have him to our home for dinner that evening.

As our programs are printed monthly, it would be helpful if we could have the name of our speaker before December 1, 1975.

Sincerely Yours,

~~The Wednesday Club of Saint Louis~~

March 1, 1975

Dear Director Colby,

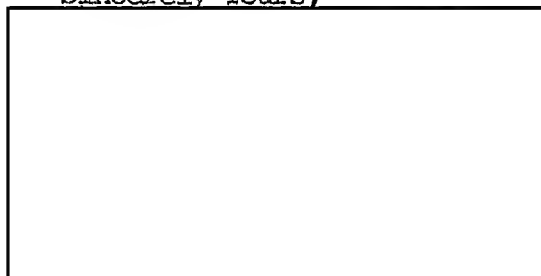

The Wednesday Club of Saint Louis County would like a speaker from your agency for January 28, 1976. We are a study group comprised of 400 women, a mixture of business and professional women and wives of business and professional men, many active in community affairs and widely traveled. Our capacity attendance is 200 with average attendance ranging between 100 and 200 persons.

The Central Intelligence Agency has been receiving much publicity of late and we find that its purpose and operations are fundamentally unknown to us.

We are not acquainted with your policy regarding public information but respectfully request a speaker for our group in our 1976 year.

The topic under International Relations is "Operations: More Overt and Less Covert?"

Sincerely Yours,
